FREQUENTLY ASKED QUESTIONS

Q1. What is the advantage of attending an appointment in July rather than waiting to get the uniform in August?

A1a. You will receive a 1 to 1 personal service which avoids the particularly busy month of August when the majority of parents of our junior schools visit us and a queuing system has to be implemented.

Q2 How long will the appointment last?

A2. 30 minutes is allowed for each appointment.

Q3. What if my son grows between the appointment and starting school in September?

A3. We guarantee to exchange any item of the uniform if there has been a growth spurt between time of purchase and starting school although it should be considered that we do encourage parents to buy the uniform on the large side in order that it will give approximately 2 to 3 years use.

We have many years experience in offering advice regarding uniform sizing which will enable you to get the most use out of it.

Q4. Are there any guarantees on the uniform?

A4a Whilst there are no written guarantees on the uniform we always support what we sell and if there is an occasion where an item is not performing well then do not hesitate to contact us and we will give a fair assessment and replace the item if it is a genuine fault.

A4b We sell only David Luke school trousers as these offer exceptional wear at an excellent price. We are so confident that your son will enjoy wearing a pair with its special zipped security pocket that we are prepared to offer a 60 day no quibble money back guarantee if you are not completely happy with them. This offer lasts up until the 1st November 2026.
