

Welcome Letter from KS3 Leader

March 2026

Dear Student,

A massive congratulations to you on securing your place at Wallington County Grammar School! It is a testament to your hard work and dedication and I want to assure you that you have made a wonderful choice for the next exciting chapter of your education.

I am Mr David Jones, the Assistant Head Teacher for Key Stage Three. Alongside our dedicated Year Leader (Mr Collins) and team of six Year 7 Form Tutors, my primary focus is to make sure your transition to Wallington is not only seamless but truly exciting. We know moving to secondary school is a big step and the first term is always challenging, but be assured that an incredible support structure is already in place to help you feel settled and at home from day one.

Your school career at Wallington promises enriching academic challenges, a huge range of extra-curricular activities to explore your passions, and the chance to forge lifelong friendships. This is where you will discover new strengths, expand your horizons, and build the foundation for your future success.

We look forward to welcoming you at the upcoming induction events, which will be a great chance for you and your family to meet our staff and future classmates before September.

With warm regards,

Mr David Jones
Assistant Headteacher
