

School Uniform List 2020-2021

from Cladish

The School has a long standing relationship with Cladish & Co., Woodcote Road, Wallington and is keen to ensure that this provider is supported by our parents when purchasing school uniform.

Cladish pride themselves on running a personalised service where you can obtain everything you need from blazers and ties to coats and bags.

Cladish are able to supply sporting accessories that will compliment the WCGS Sports Kit, but please note the WCGS Sports Kit must be purchased from Tackle Bag online.

It is important to know that in addition to purchasing new school uniform from Cladish, parents can occasionally purchase second hand uniform from the PTFA. Some generic items of uniform (such as white shirts and charcoal grey trousers) do not have to be purchased from Cladish.

Compulsory items
