

# Letter from the Headmaster

February 2021

Dear Parents/Carers

I wish you a very warm welcome into the Wallington County Grammar School family, one of the best schools in the country. You must be extremely proud of your son for embodying every aspect of our motto so successfully: *Per Ardua Ad Summa*, Through Difficulties to the Heights. He has now very much reached those heights, being part of a school, founded in 1927, that is rated as outstanding in all aspects of the Ofsted framework, consistently in the top few percent in the country for progress at GCSE and that sends students to the world's very best universities.

Be assured that our family atmosphere and total commitment to pastoral care will see him settle in very quickly and will help guide him through the many social challenges that come with starting at a new secondary school. In return, I thank you for your full commitment to his and the school's success by supporting him academically as well as encouraging his commitment to sport, drama, music and all other aspects of school life.

I look forward to meeting you in person and discussing the school and ways you can help support us further.

Yours faithfully

Mr Jamie Bean  
Headmaster
