

# School Sports Kit from Tacklebag 2020-2021

The School is continuing its relationship with Tacklebag Ltd ([www.tacklebag.co.uk/schools/wallington-county-grammar-school/](http://www.tacklebag.co.uk/schools/wallington-county-grammar-school/)) and is keen to ensure that this provider is supported by our parents when purchasing school sports kit.

Tacklebag pride themselves on running a personalised service where you can obtain everything you need from rugby shirts and shorts to cricket whites, bags and other sporting accessories that will compliment the WCGS School Uniform. As well as compulsory items, the School recommends other items which will ensure your son is well prepared for the sporting life at a secondary school through all seasons. Sports Kit can be ordered online, paid for and delivered direct to your door. To help parents choose the right size, below is a sizing chart.
